EDUCATION

Bachelor of Computer Applications (BCA)

Uka Tarsadia University

Passing Year 2025.

Master of Computer Applications (MCA)

R.B. Institute of Management Studies

Running

PERSONAL PROJECT

- **Circulate Life Blood Bank Application (Full-Stack Project):** A comprehensive web application I developed from scratch using **HTML**, **CSS**, **JavaScript**, and **Bootstrap** for the user interface, with **PHP** and **PhpMyAdmin** handling server-side logic and database management. I personally built all features, including user authentication, donation request and management, and automated email notifications via **PHPMailer**.
